The JC4PC is a Joint-certified training course located at the United States Army Signal Center on Fort Gordon, Georgia. The Joint Chief of Staff J6 performs Operational Responsibility (OPR), the J7 approves the JC4PC POI, and the J8 certifies the course.

As the host of the course, the US Army Signal Center provides administrative and logistics support to the course. The course is fully registered in the Army Training Requirements and Resources System (ATRRS) as well as the other Services' training registration systems.

JC4PC Mission

The Joint C4 Planners Course (JC4PC) is a four-week operational level course designed to educate C4 Planners in Doctrinal C4 concepts in the Joint, Interagency, and Coalition environments. While other communications training programs focus on Service specific requirements, the Joint C4 Planners Course fills a capability gap by preparing mid-grade C4 Planners for the technical requirements of planning Joint net-centric operations in Joint, Coalition and Interagency environments. The course focuses on the technical aspects of Joint C4 planning associated with Strategic, Operational and Tactical level systems within the deliberate and crisis action planning (CAP) processes.

JC4PC's major subject areas include: Roles and Responsibilities within a JTF, Service and Coalition Briefs, Deliberate and Crisis Action Planning, Transmission Systems, Multiplexing Systems, Data Systems, Voice Systems and Special Interest Circuits. Student learning is achieved by course instruction, class research, presentations, communications briefs, and active participation in a capstone practical exercise as an element of a JTF J6 staff.

Length: 4-week course at the SECRET-level.

Grade/Rank Requirement: O-3 to O-5, W1 to W5, E-7 to E-9, Coalition Service Member, and DoD civilian equivalent. (Waiverable to one grade down: E-6/O-2).

Security Clearance Requirement: Students must possess at least an interim Secret clearance to attend JC4PC.

Course Attendance: Prospective attendees must request a course seat through their appropriate Service Representative.

General Information:

Information pertaining to uniform requirements, lodging, facility support at Fort Gordon, and other important topics can be found on our website:
